

Friends Of Brandon Station

A Fresh Start

NEWSLETTER MAY 2025

On Wednesday 17th April a party from Friends of Brandon Station went to Wymondham to hear Piers Hart give a talk on Save our Stations, in which Brandon Station featured.

Our Vice Chair, Piers Hart is also the Chair of Historic Suffolk and Save Our Stations. Piers is heavily involved with the negotiations with Greater Anglia regarding the transfer of the lease to the local businessman interested in using the station buildings for office accommodation. We are extremely lucky to have Rory J Holbrook involved in our project which will bring much needed investment into our community. We will, of course, also have a community space and commuter facilities such as toilets, etc. The transfer of the lease is our current priority and once the negotiations are under way we can begin to look at the financial position of the refurbishment costs.

The Officers in post for Friends of Brandon Station are:

Garry Hall, volunteer	Chair
Piers Hart, Historic Suffolk	Vice Chair
Davd Palmer, volunteer	Secretary
Susan Smith, volunteer	Treasurer
John Maxim, volunteer	Media Manager

- We have banking facilities in place with Lloyds Bank and our Website is now live. Our official mobile phone number is 07736 429336 and our email address for enquiries is fobs.enquiries@gmail.com
