TREASURER'S REPORT AS AT 30TH JUNE 2026

FOBS was reformed in 2024 after the community meeting held at the end of August 2024.

A domain name was purchased for 5 years, and a website was set up using Hugo Fox who host BTC's website. The charges were £5.99 per month until March 2026 and increased to £7.29 the following month. Lloyds Bank ceased offering community accounts during 2025 and introduced charges of £4.25 per month from June 2025. These are our 2 highest items of expenditure.

If FOBS moves to a CIC (Community Interest Company) the bank account can be moved to the Co-Op Bank which will give us free banking. The Co-Op does not currently offer a community account.

Susan Smith

Treasurer/FOBS
